## MANAGEMENT INFORMATION CIRCULAR AS AT SEPTEMBER 16, 2024

**This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Japan Gold Corp. for use at the annual general meeting (the “Meeting”) of shareholders of Japan Gold Corp. (the “Shareholders”) to be held on October 24, 2024 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting. Except where otherwise indicated, the information contained herein is stated as of September 16, 2024.**

In this Information Circular, references to the “Company” and “we” refer to Japan Gold Corp. “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means Shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

### GENERAL PROXY INFORMATION

#### Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

#### Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder, you may wish to vote by proxy whether or not you are able to attend the Meeting. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed Proxy and returning it to Computershare, in accordance with the instructions on the Proxy. Alternatively, Registered Shareholders may vote their shares via the internet or by telephone as per the instructions provided on the Proxy.

**In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.**

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and

- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

**Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.** If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

### **Exercise of Discretion by Proxyholder**

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the Proxyholder.

**In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.** Management is not currently aware of any other matters that could come before the Meeting.

### **Voting by Non-Registered Shareholders**

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the VIF received from Computershare or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The VIF supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The VIF sent by Computershare or Broadridge will name the same persons as the Company’s proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need**

**not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity.** To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the VIF. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed VIF or other written instructions must then be returned in accordance with the instructions on the form.

**If you receive a VIF from Computershare or Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The VIF must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.**

#### **INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON**

No person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors, the appointment of auditors, approval of the Company's Omnibus Equity Incentive Compensation Plan, or the creation of Equinox Partners Investment Management Inc. as a new 'Control Person'. For the purpose of this paragraph, "person" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last fiscal year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person as defined in (a) or (b).

#### **RECORD DATE AND QUORUM**

The board of directors of the Company (the "**Board**") has fixed the record date for the Meeting as the close of business on September 16, 2024 (the "**Record Date**"). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Articles of the Company, the quorum for the transaction of business at a meeting of Shareholders is one person who is a shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of Shareholders pursuant to the Company's articles, present in person or by proxy.

#### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

On the Record Date there were 256,515,479 Common Shares issued and outstanding, with each share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote by proxy at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, the Shareholder who beneficially owns, or exercises control or direction, directly or indirectly, Common Shares carrying 10% or more of the votes attached to Common Shares is:

Name	Number of Common Shares Owned, or Controlled or Directed, Directly or Indirectly <sup>(1)</sup>	Approximate Percentage of Total Outstanding Common Shares

#### **Approval of Omnibus Equity Incentive Plan**

At the 2023 annual general meeting, the shareholders approved the adoption of the Company’s omnibus equity incentive plan (the “**Compensation Plan**”) to replace its previous 2022 omnibus equity incentive plan. At this year’s Meeting, the Shareholders will be asked to approve the continuation of the Compensation Plan. The Compensation Plan includes the ability to issue stock options (“**Options**”), restricted share units (“**RSUs**”), performance share units (“**PSUs**”), and deferred share units (“**DSUs**”, and together with Options, RSUs, PSUs, the “**Awards**”). The aggregate number of Shares reserved for issuance in respect of Awards shall not exceed 10% of the total number of issued Common Shares (calculated on a rolling, non-diluted basis) at the time an Award is granted.

The purpose of the Compensation Plan is to provide an incentive to directors, employees and consultants to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company.

The Compensation Plan is considered an “evergreen” plan, since Awards which have been exercised, cancelled, terminated, surrendered, forfeited or expired without being exercised shall be available for subsequent grants under the Compensation Plan, and the number of Awards available to grant increases as the number of issued and outstanding Common Shares increases.

At the Meeting, Shareholders will be asked to pass an ordinary resolution approving the continuation of the Compensation Plan.

The following is a summary of certain provisions of the Compensation Plan and is subject to, and qualified in its entirety by, the full text of the Compensation Plan. A copy of the Compensation Plan is available at the records office of the Company at Suite 1200 – 750 West Pender Street, Vancouver, British Columbia, Canada until the business day immediately preceding the date of the Meeting. A copy will also be made available at the Meeting.

Type of Awards: Awards of Options, RSUs, PSUs and DSUs may be made under the Compensation Plan. All of the Awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the Compensation Plan, and will generally be evidenced by an award agreement.

Each Option entitles a holder thereof to purchase a prescribed number of Common Shares at an exercise price determined by the Board at the time of the grant of the Option, which includes an incentive stock option (an “ISO”).

ISOs are available only for Participants who are employees of the Company, or a “parent corporation” or “subsidiary corporation” (as such terms are defined in Section 424(e) and (f) of the U.S. Tax Code), on the date the Option is granted. A Participant who holds an ISO must continue as an employee, except that upon termination of employment the Option will continue to be treated as an ISO for up to three months, after which the Option will no longer qualify as an ISO, except as otherwise provided herein. A Participant’s employment will be deemed to continue during period of sick leave, military leave or other bona fide leave of absence, provided the leave of absence does not exceed three months, or the Participant’s return to employment is guaranteed by statute or contract. If a termination of employment is due to permanent disability, an Option may continue its ISO status for up to one year, and if the termination is due to death, the ISO status may continue for the balance of the Option’s term. Nothing referenced herein will be deemed to extend the original expiry date of an Option. A Participant who owns, or is deemed to own, pursuant to Section 424(e) of the Code, Shares accounting for more than ten percent (10%) of the total combined voting power of all classes of stock of the Company may not be granted an ISO unless (i) the Option Price is at least one hundred and ten percent (110%) of the Market Value of the Shares, as of the date of the grant, and (ii) the Option is not exercisable after the expiration of five years from the date of grant. To the extent the aggregate Market Value (determined as of the date of grant) of Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under all plans of the Company and any affiliates) exceeds One Hundred Thousand United States Dollars (US\$100,000), the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Options other than ISOs, notwithstanding any contrary provision in the applicable award agreement.

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the Compensation Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares.

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the Compensation Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares.

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the Compensation Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares.

Eligible Participants. Awards may be granted under the Compensation Plan to directors and senior officers of the Company or its subsidiaries, management company employees (collectively, the “**Directors**”), employees of the Company or its subsidiaries (collectively, the “**Employees**”) or consultants of the Company or its subsidiaries (collectively, the “**Consultants**”). The Board, in its discretion, determines which of the Directors, Employees or Consultants will be granted Awards under the Compensation Plan.

Number of Common Shares Reserved. The aggregate number of Common Shares reserved for issuance in respect of Awards shall not exceed ten (10%) percent of the total number of issued Common Shares (calculated on a rolling, non-diluted basis) at the time an Award is granted. Awards that are exercised, cancelled or expire prior to exercise continue to be issuable under the Compensation Plan.

Limitations. Under the Compensation Plan, the aggregate number of Common Shares that are issuable pursuant to all Awards granted or issued to any one person (including companies wholly owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Common Shares of the Company, calculated on the date the Award is granted or issued to the person. The aggregate number of Common Shares that are issuable pursuant to all Awards granted or issued to any one Consultant in a 12-month period must not exceed 2% of the issued and outstanding Common Shares of the Company, calculated at the date the Award is granted or issued. The aggregate number of Common Shares issuable pursuant to all Awards granted or issued to all persons retained to provide investor relations services to the Company (including Consultants and Employees or Directors whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding Common Shares of the Company in any 12-month period, calculated at the date an Award is granted or issued to any such person. Disinterested shareholder approval will be required for any grant of Awards which will result in the number of Common Shares issuable pursuant to all Awards granted or issued to Insiders (as defined in the *Securities Act* (British Columbia)) as a group at any point in time or within a 12-month period exceeding 10% of the issued and outstanding Common Shares of the Company.

Exercise Price. The exercise price of Options granted under the Compensation Plan is determined by the Board, provided that it is not less than the discounted market price, as that term is defined in TSX Venture Exchange (the “**Exchange**”) policy manual, or such other minimum price as is permitted by the Exchange in accordance with the policies in effect at the time of the grant, or, if the Common Shares are no longer listed on the Exchange, then such other exchange or quotation system on which the Common Shares are listed or quoted for trading. The exercise price of Options granted to Insiders may not be decreased without disinterested Shareholder approval at the time of the proposed amendment.

Cashless Exercise. Subject to the rules and policies of the Exchange, the Board may, in its discretion and at any time, determine to grant a Participant the alternative, when entitled to exercise an Option, to deal with such Option on a “cashless exercise” basis, on such terms as the Board may determine in its discretion (the “**Cashless Exercise Right**”). Without limitation, the Board may determine in its discretion that such Cashless Exercise Right, if any, grants a Participant the right to engage a broker to sell such number of Common Shares as is necessary to raise an amount equal to the aggregate exercise price for all Options being exercised by that Participant and any applicable tax withholdings. Pursuant to the award agreement, the Participant may authorize the broker to sell shares on the open market and forward the proceeds to the Company to satisfy the exercise price and any applicable tax withholdings, promptly following which the Company shall issue the Common Shares underlying the number of Options as provided for in the award agreement. In the event the Company permits a Participant to exercise a Cashless Exercise Right, the Company shall make an election pursuant to subsection 110(1.1) of the *Income Tax Act* (Canada)

Term of Options. Subject to the termination and change of control provisions noted below, the term of any Options granted under the Compensation Plan is determined by the Board and may not exceed ten (10) years from the date of grant. Disinterested Shareholder approval will be required for any extension to stock options granted to individuals that are Insiders at the time of the proposed amendment.

Deferment. Subject to the terms and conditions of the applicable Award Agreement, if a Participant wishes to defer settling an Award of RSUs, the Participant must provide written notice to the Company within three business days of the Vesting Date. Subject to the terms and conditions of the applicable Award Agreement, if a Participant wishes to defer settling an Award of PSUs, the Participant must provide written notice to the Company within three business days of the Determination Date (as defined in the Compensation Plan).

Vesting. All Options granted pursuant to the Compensation Plan will be subject to such vesting requirements as may be prescribed by the Exchange, if applicable, or as may be imposed by the Board. Options issued to persons retained to provide Investor Relations Activities must vest in stages over 12 months with no more than one-quarter of the Options vesting in any three-month period. No Awards issued pursuant to the Compensation Plan, other than Options, may vest before the date that is one year following the date it is granted or issued.

Termination.

#### *Options*

Any Options granted pursuant to the Compensation Plan will terminate at the end of the term of the Option. Where a Participant’s relationship with the Company is terminated by the Company or a subsidiary for cause, all Options granted to the Participant under the Compensation Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date. Where a Participant’s relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an eligible person, all Options granted to the Participant under the Compensation Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the

### ***The Compensation Plan Resolution***

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution (the “**Compensation Plan Resolution**”):

“BE IT RESOLVED as an ordinary resolution THAT:

- (a) the Company’s 2023 omnibus equity incentive plan (the “**Compensation Plan**”) be and is hereby confirmed and approved, and that in connection therewith a maximum of 10% of the Company’s issued and outstanding common shares at the time of each grant be approved for granting as awards;
- (b) the board of directors of the Company be authorized in its absolute discretion to administer the Compensation Plan, and amend or modify the Compensation Plan in accordance with its terms and conditions and with the policies of the TSX Venture Exchange; and
- (c) any director or officer of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

Management recommends that Shareholders approve the Compensation Plan Resolution. If the Compensation Plan Resolution is approved by Shareholders, the Directors will have the authority, in their sole discretion, to implement or revoke the Compensation Plan Resolution and otherwise implement or abandon the Compensation Plan.

**In the absence of instructions to the contrary, the Proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, FOR the Compensation Plan Resolution.**

### **APPROVAL OF CREATION OF A NEW CONTROL PERSON**

At the Meeting, the Shareholders of the Company will be asked to consider and, if deemed advisable, to approve an ordinary resolution (the “**New Control Person Resolution**”) authorizing Equinox Partners Investment Management Inc. (“**Equinox**” or the “**Debentureholder**”), an insider of the Company, to become a new ‘Control Person’ (as such term is defined in the policies of the Exchange) as a result of converting outstanding unsecured convertible debentures in the principal amount of \$2,755,000 (US\$2,000,000).

#### *Background:*

On April 29, 2024, Equinox Partners Investment Management Inc., an insider of the Company, acquired non-transferrable unsecured convertible debentures (the “**Debentures**”) in the principal amount of \$2,755,000 (US\$2,000,000) (the “**Principal Amount**”) pursuant to the Company’s private placement of Debentures (the “**Offering**”). The Debentures will mature on April 29, 2027, being the date that is three years from the date of issuance (the “**Maturity Date**”). The principal amount of the Debentures is convertible, at the election of the Company at any time prior to the Maturity Date, into Common Shares (the “**Debenture Shares**”) at a price of C\$0.13 per Debenture Share.

The Debentures bear interest from the date of issue until the Maturity Date or date of conversion at a rate of 10% per annum (non-compounded), payable in Debenture Shares. Subject to Exchange acceptance, any interest that has accrued in arrears on the principal amount outstanding under the Debenture will be payable in Debenture Shares at a price per Debenture Share which equals the greater of the ‘Market Price’ (as that term is defined in the policies of the Exchange) or C\$0.13 on the date the accrued interest becomes payable (the “**Interest Conversion Price**”).

Pursuant to the terms of the Debentures, no Debenture Shares will be issued by the Company on the conversion of the Debenture or a payment of interest if, as a result of the issuance of such Debenture Shares, the Debentureholder would become a Control Person. The Company has agreed to seek disinterested shareholder approval for the creation of a ‘Control Person’ at the Meeting (the “**Disinterested Shareholder Approval**”). This restriction on conversion will remain in place if and until all Exchange and corporate approvals are obtained for the creation of a new Control Person, including Disinterested Shareholder Approval.

Subject to approval of the Exchange, as applicable, on receipt of the Disinterested Shareholder Approval the Company will convert all of the Principal Amount under the Debentures, and any accrued and unpaid interest on the Principal Amount, into (i) Debenture Shares at a price per Debenture Share equal to: \$0.13, in the case of Debenture Shares converted from the Principal

Amount; and (ii) the Interest Conversion Price, for Debenture Shares converted from unpaid and accrued interest (the “**Automatic Conversion**”). The Automatic Conversion will occur on the day that is (10) business days from the date of the Company’s receipt of the Disinterested Shareholder Approval (the “**Automatic Conversion Date**”) and without further consideration or action by the Debentureholder. Following conversion of the Debentures on the Automatic Conversion Date, the Debentures will be null, void, and of no further force and effect.

In the event that Disinterested Shareholder Approval is not obtained at the Meeting, the Company will seek the Disinterested Shareholder Approval at each annual general meeting thereafter prior to the Maturity Date.

Following closing of the Offering, Equinox beneficially owns 50,612,280 Common Shares, representing approximately 19.73% of the total issued and outstanding Common Shares of the Company on an undiluted basis. As at the date hereof, the Company has not elected to convert any Principal Amount of the Debentures into Debenture Shares.

As at the date hereof, Equinox beneficially owns a total of 50,612,280 Common Shares, representing 19.73% of the total issued and outstanding Common Shares of the Company on an undiluted basis. Assuming full conversion of the Principal Amount of the Debentures, not including potential conversion of accrued and unpaid interest on the Debentures (and assuming no other securities of the Company are issued), Equinox would own or have control or direction over, directly or indirectly 71,804,587 Common Shares of the Company, representing approximately 25.86% of the issued and outstanding Common Shares of the Company, on a partially-diluted basis. If Disinterested Shareholder Approval is obtained, Equinox will be a Control Person of the Company by virtue of holding over 20% of the Common Shares of the Company on the Automatic Conversion of the Debentures.

Since Equinox was an insider of the Company prior to the Offering, Equinox’s participation in the Offering was a “related party transaction”, as such term is defined in Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Company relied on the exemptions from the formal valuation and minority shareholder approval requirements under section 5.5(a) and section 5.7(1)(a) of MI 61-101, as the fair market value of the Debentures issued to Equinox did not exceed 25% of the Company’s market capitalization, as determined in accordance with MI 61-101.

#### *Recommendation of the Company's Board of Directors*

The Board has reviewed and considered the securityholdings of Equinox and the potential creation of Equinox as a new “Control Person” of the Company. The Board unanimously recommends that the Shareholders vote in favour of the New Control Person Resolution.

#### *Disinterested Shareholder Approval:*

In order to be effective, the New Control Person Resolution must be approved by a simple majority of 50% plus one of the votes properly cast by Shareholders voting in present or by proxy at the Meeting, excluding votes attached to shares beneficially owned by Equinox.

#### *Ordinary Resolution*

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

**“BE IT RESOLVED THAT as an ordinary resolution of the Shareholders of the Company that:**

1. the creation of Equinox Partners Investment Management Inc. as a new "Control Person" of the Company within the meaning of such term under applicable securities laws and stock exchange policies is hereby authorized and approved;
2. upon passage of this resolution, the Company is hereby authorized to proceed with the Automatic Conversion on the Automatic Conversion Date, as such terms are defined in the certificate(s) representing non-transferrable unsecured convertible debentures in the principal amount of \$2,755,000 (US\$2,000,000) issued to Equinox Partners Investment Management Inc.; and
3. any one (or more) director or officer of the Company is authorized and directed, on behalf of the Company, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Company or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”

Management recommends that Shareholders vote in favour of the creation of Equinox Partners Investment Management Inc. as a new Control Person of the Company.

**In the absence of instructions to the contrary, the Proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, FOR the New Control Person Resolution.**

### OTHER BUSINESS

As of the date of this Information Circular, management of the Company knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.

### **Oversight and Description of Director and Named Executive Officer Compensation**

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with mineral exploration companies of a similar size at a similar stage of development.

The Company compensates its executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Company, the Company's resources, industry practice and regulatory guidelines regarding executive compensation levels.

To date, the Company has not specified significant elements of compensation tied to any performance criteria awarded to, earned by, paid or payable to each NEO, and no formulas have been developed to assign a specific weighting to any such components. Compensation of NEOs is handled by the Company's compensation committee (the "**Compensation Committee**"). The Compensation Committee is comprised of two or more "independent" directors, whose primary function is to monitor and make recommendations to the Board in respect of the total compensation paid by the Company to its directors and senior executives. The current members of the Compensation Committee are Michael Carrick (Chair), Murray Flanigan, and Tanneke Heersche. The functions of the Compensation Committee are governed by the Company's compensation committee charter (the "**Compensation Committee Charter**") which was adopted by the Board on November 23, 2016. Pursuant to the Compensation Committee Charter, the Compensation Committee will review the total compensation (including direct salary and annual bonus as well as long term stock-related incentive plans) paid to each executive officer of the Company on an annual basis. In addition, the Compensation Committee will review and consider corporate goals and objectives relevant to compensation for all executive officers, evaluate the performance of each executive officer in light of those corporate goals and objectives, and determine and/or make recommendations to the Board with respect to the level of compensation for the executive officers based on this evaluation. The Committee also review annually, and submit to the Board for its approval, the compensation to be paid to members of the Board as directors, in light of director compensation guidelines established by the Board.

The Compensation Committee has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board and/or Compensation Committee may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board and/or Compensation Committee may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value.

<sup>3</sup> approximately \$1,190 based on exchange rate of C\$1: US\$0.7561 on December 31, 2023.

The base compensation of the executive officers is reviewed and set annually by the Board based on recommendations by the Compensation Committee. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and Board, with recommendations from the Compensation Committee, from time to time determine the stock option grants to be made pursuant to the Company's stock option plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

In determining the compensation paid to the Company's NEOs for the financial year ended December 31, 2023, the Compensation Committee considered a variety of factors including the long-term interests of the Company and the Shareholders, the implications of the risks associated with the Company's compensation policies and practices in light of the financial performance of the Company, the overall financial and operating performance of the Company and the Compensation Committee's assessment of each NEO's individual performance and contribution toward meeting corporate objectives.

The Company does not anticipate any significant changes to the Company's compensation policies that could or will have an effect on director or named executive officer compensation.
